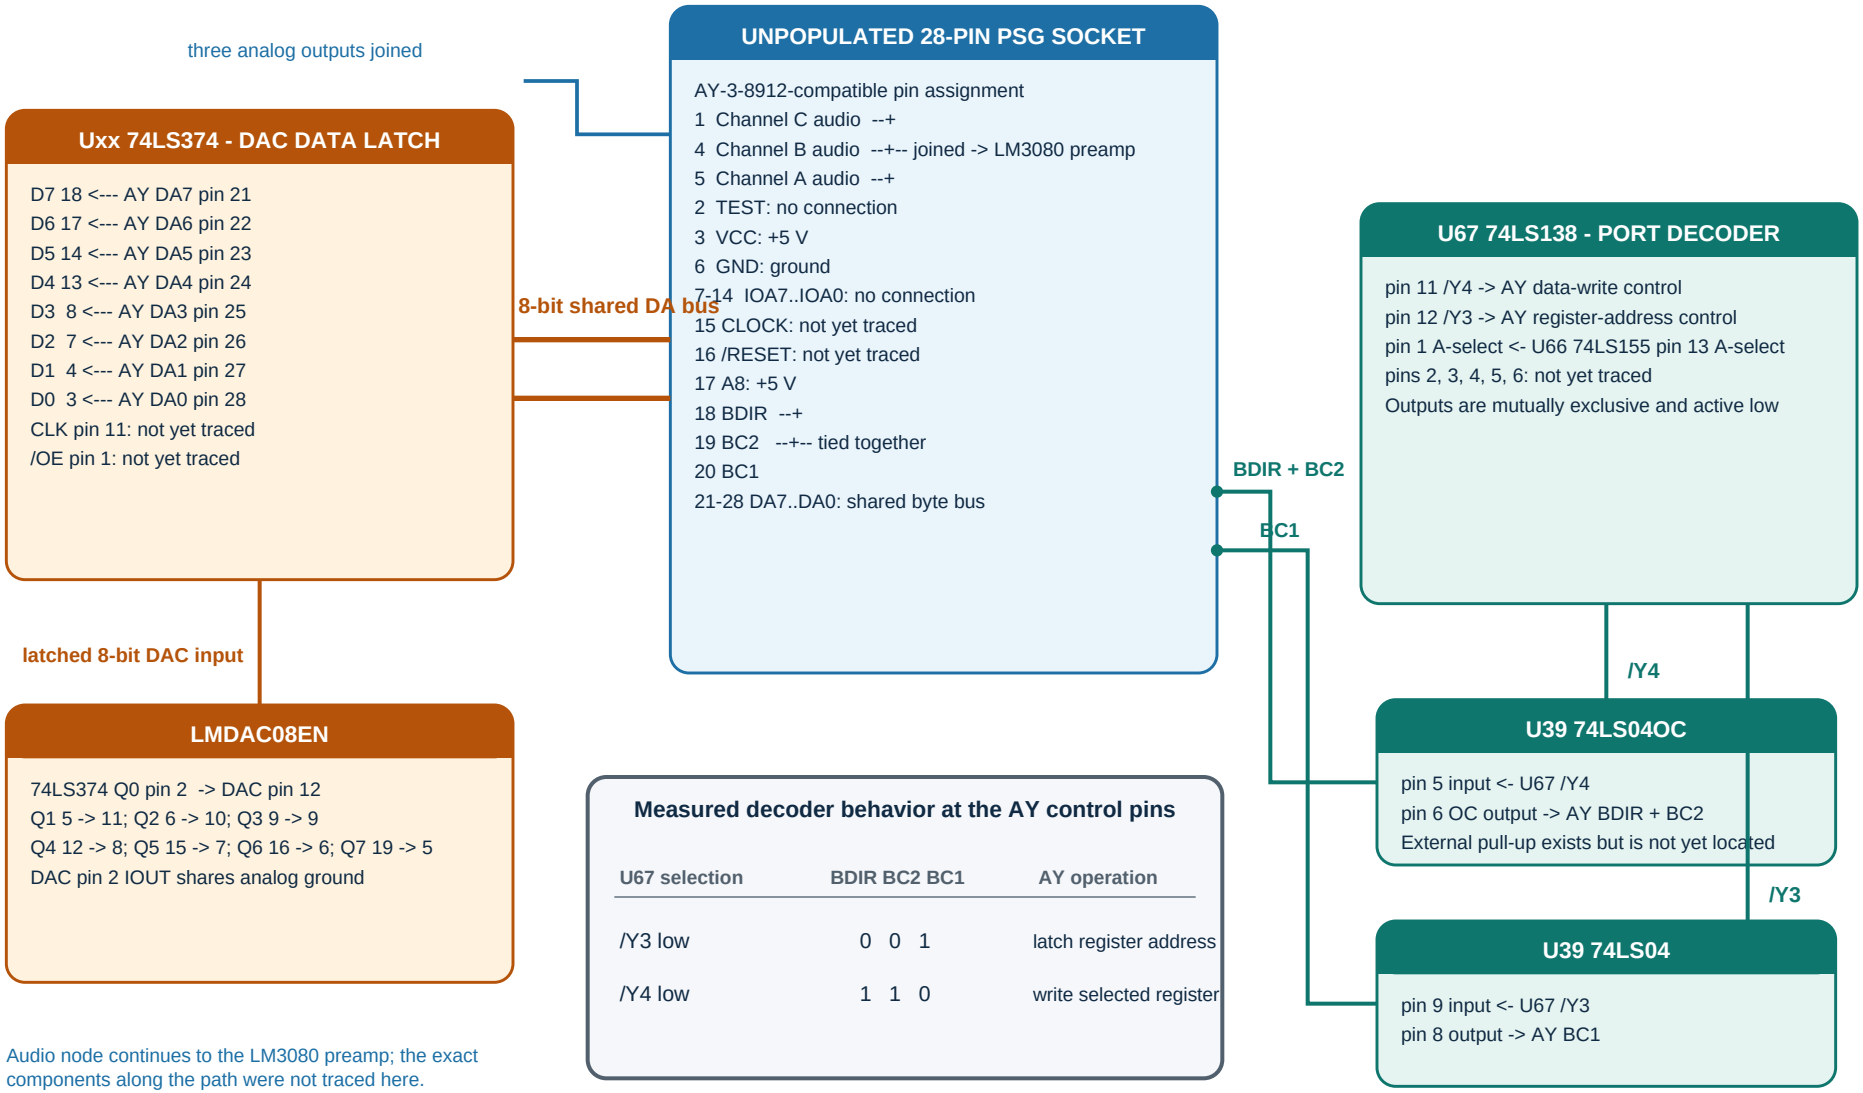
Micropin sound-board option: AY-3-8912-class PSG

Partial schematic from continuity-traced nets - measured paths in solid lines; unknown paths in dashed lines



Conclusion: board is engineered for a write-only AY-3-8912-class PSG interface.

Still to trace: AY CLOCK, /RESET, U67 enables/select inputs, LS374 CLK and /OE, and the actual 8085 port numbers.
